

College/School Report

Your name _____

Name of college/postsecondary institution _____

Your likely major/program of study/area of study at this school _____

Source used: (*Optional*: use a different source for each school report. At least one report must be done from a book in the counseling office)

- o Internet
 - a) www.collegeboard.com, www.review.com, or www.usnews.com/edu for schools outside of MN
 - b) www.iseek.org or www.mnscu.edu for MN schools
 - c) other _____
- o Peterson's 4-year guide, page _____
- o Peterson's 2-year guide, page _____
- o Another college review book _____
- o eDiscover or MCIS

In your own words, answer the following:

Total number of undergraduate students (this is the number of students working on their 4-year/bachelors degree)

Admissions requirements (ACT score, level of difficulty, GPA, class rank requirements, etc...)

Location of school: (city, state)

Community size: (Do a Google search: "population of [city, state]" or use an Atlas)

Is it a public or private school?

____ Private (If private, the stated cost is the same to every student no matter what state you live in.)

Private school tuition costs:

____ Public-state supported schools (Minnesota has **reciprocity** with North Dakota, South Dakota and Wisconsin public colleges. That means we can attend those schools for the same price it would cost at a similar Minnesota public college.):

In state tuition costs: (resident)

Out of state tuition costs: (non-resident)

Room and board costs (housing and food):

What did you find interesting about this school?

What didn't you like about it?
