

College Visit Questions

College interviewed: _____

What does this college say are its greatest strengths (or neatest things about this school)?

What numbers will I need to be admitted (ACT, rank, GPA)?

What major(s) does this school have that interests me? What do I like about their particular programs?

Do they have any scholarships that I will be eligible for?

What are the things about this school that I like? What did they say that impressed me?

What things concern me about this college (or don't fit what I want)?
